ABOUT ME

Results-driven Full Stack Developer experienced in PHP, MERN, and Java technologies, with added skills in DevOps and cloud deployments. Strong in scalable application development, performance optimization, CI/CD automation, and cross-team collaboration. Adaptable, fast learner, and committed to delivering high-quality software.

CORE SKILLS

Backend: PHP, CodeIgniter, Node.js, Express.js, Java, Spring Boot

Frontend: React.js, Vite, HTML, CSS, JavaScript, jQuery, Bootstrap

Database: MySQL, MongoDB

DevOps & Cloud: AWS (EC2, S3, IAM, RDS, VPC, CloudWatch), Docker, GitHub Actions, Bitbucket Pipelines, Linux Server Management, Terraform (Basic)

Tools: Git, GitHub, Bitbucket, Jira, Postman, REST API, AJAX

Practices: Agile Methodology, Debugging, API Integration, Optimization

WORK EXPERIENCE

Software Developer — Servenergy ITC Pvt. Ltd., Pune

(Feb 2023 – Present)

- Developed scalable apps using PHP, CodeIgniter & JavaScript.
- Improved backend performance via optimized queries & modular code.
- Integrated secure REST APIs and enhanced UI responsiveness.
- Automated deployments with GitHub Actions; managed Linux servers & AWS EC2.
- Improved uptime & reliability using monitoring and structured workflows.

Software Developer — Cravita Technology Pvt. Ltd., Pune

(Aug 2022 – Jan 2023)

- Built responsive UI components using HTML, CSS, JavaScript & jQuery.
- Contributed to backend using Java Spring Boot & Hibernate.
- Developed APIs, implemented validation & debugging mechanisms.
- Collaborated in Agile teams to deliver stable application modules.

PROJECTS

MFA – Multi-Functional Web Application

Tech: React, Vite, Node.js, Express, MongoDB

- Developed modular architecture with authentication & real-time features.
- Containerized backend using Docker and deployed on cloud.

ServeDocs – Document Management System

Tech: PHP, CodeIgniter, jQuery

- Built secure document workflows, versioning & access control.
- Improved UX and system performance through optimized logic.

Vehicle Marketplace

Tech: Java, Spring Boot, Hibernate

- Built listing features, search filters & authentication modules.

EDUCATION

B.E. Mechanical Engineering — DY Patil School of Engineering — 85.02%

Diploma Mechanical Engineering — Govt Polytechnic Awasari — 79.06%

SSC — Bhimashankar Vidyamandir — 87.02%
